

Santa Lucian Index 2005 to Date

Santa Lucian Index

- Jan. 2005** Plovers Win-Chapter secures habitat, research & protection.
Will Los Osos find a 3rd way?
Sanctuary Now!-The Ocean Conservancy.
Morro Bay in 3-D.
A Farewell Address-Tarren Collins
2005 ExCom Elected.
North Chimeneas Ranch-Escondido.
Audubon: Working Together.
Cold Water Corals.
Sierra Club connects Forced Migration and "Free Trade".
Decommission Diablo.
- Feb. 2005** Carrizo Plain and Simple: Grazing does not = conservation.
A Nuclear Alliance-prohibiting re-licensing of CA nuclear power plants.
Bush Administration's new forest rules: More logging, less wildlife protection, Dirtier water and No Input.
David Brower: Monumental-fight for wild America.
What's Going on with our Otters?
TDC's" The Sprawling Scandal.
- Mar. 2005** Why CAFTA must Die. Just say no to Anti-Environmental Trade
Who We Are Together-letter from Karen Merriam.
Trash that Fence-remove the Barbed Wire on the Carrizo Plain.
Mr. Blakeslee goes to Sacramento.
Environmental Justice wins in CA-CalEpa's Cumulative impacts,
Precautionary approach.
Cambria Desal Task Force Meets March 16.
Go Pozo! Sup's rejected development of Spa/Exec.Retreat.
Sierra Club 2005 Election.

Santa Lucian Index

- Apr. 2005** Shots fired in Estuary-ban hunting in the estuary.
Join the Marketplace farewell party.
Creeping up on the Coast-Federal Government extended offshore leases.
PUC Protest-public utilities to provide thorough review of contract with Duke energy.
A TDC Breakthrough-Planners listening to No Co on development.
See you in Sept. Convention in San Francisco.
Corbett Canyon: Rise Up!-19 acre development planned.
Chapter Asks Rep. Thomas to Oppose “Free Trade” Bill.
No Nukes! False promises of nuclear energy.
My Country is heading in the wrong direction-Bill Denneen.
- May 2005** Our Toxic Burden-Pesticides are taking an internal toll.
California, Fund the Coastal Commission.
Genetically Modified Truth.
Forest Campaign Intensifies as Final Plan Looms-Los Padres targeted for drilling.
Diablo Canyon Report is a Disaster area.
State Fish & Game Commissioner Reviews Morro Bay Hunt.
Desal Task Force meets-Cambria.
Chapter Conservation Chair appointed to toxics committee.
SLO to Reduce Toxics from Wastewater plant.
Parks Habitat Conservation Plan taking shape-off-road vehicle lobby ready to rumble.
Can Cayucos and Morro Bay Clean up their act?
- Jun/July 2005** Let that be her Moment- Marlene Braun fought for Carrizo.
SLO Open Space Revisions Proposed-drastic changes and bad outcomes loom.
Dear Senator Maldonado: Where is SLO’s Sanctuary?
Chapter forms Litigation Committee.
A Hunt in the Middle of a City? Morro Bay hunts.
Energize the Movement at our Largest Gathering Ever: Sierra Summit 2005.
Bill Maher’s New Rules for the Environment.
Cayucos loves that dirty water.

Santa Lucian Index

- Aug. 2005** The Rigs are Coming.
Morro Bay Hunt Decision Aug. 18-19.
Land Grab Alert! Very bad land use ordinance coming soon.
Nipomo circling the drain.
Cambria CSD Grimly Slogs on.
Eat what you know.
Stars aligning for Central Coast Marine Reserves.
Action for the Arctic Refuge.
Where's Arnold? MIA on offshore drill.
Water Board lowers the boom-\$225,000 fines assessed for dischargers' damages.
New Blood on Water Board—Monica Hunter
Life after Duke.
Peter Douglas: Environmentalism Undying.
The Fence-Busters-taking down barriers to wild life.
A word about trail work.
Los Padres Forest Watch.
SLO Students Attend Sierra Student Training in Washington
- Sep. 2005** Commission to Community: Drop Dead-Fish & Game ignores Residents on Morro Bay Hunt.
Economy vs. Environment? Ask the Salamanders.
Goodbye Betty Schetzer.
Thank you LA Times.
We can phase out nuclear power.
Supervisors Ease High-Income Housing crisis.
Who's afraid of TDC's? Planning commission urging emergency stop to failed land use program.
Peter Douglas marks 20 years of saving the coast.
Inclusionary Housing: Good Idea, Let's enforce it.
Sampling Sustainable systems, a benefit for Mothers for Peace.
- Oct. 2005** People Power vs. Cell Tower-County just says "no" to Los Osos eyesore.
A Chill grows in Cambria-moving tanks to environmentally sensitive habitat.
What's for dinner? And why can't you be told?
